

## Trunk Shows

We would love to help your shop host special events featuring Youghioghenny Yarns. Perhaps your shop would like to try a new base, feature a new colorway line, or display some samples; let us know what you are thinking and we can help!

If you are interested in hosting a product launch trunk show or a sales trunk show, please see the policies listed below. We try to schedule out at least six months in advance but shorter time frames can be accommodated. Please contact us as soon as you think you might be interested in an event. Please note, Youghioghenny Yarns does not consign products to yarn shops, these events are a partnership between Youghioghenny Yarns and a LYS for a sales promotion event.

### Product Trunk Shows

Youghioghenny Yarns is happy to provide a trunk show to help launch the yarn and fiber at your shop, or if you are a current customer, we can assist you with bringing in a new base line(s) to your shop. We work with you to bring a selection of yarns and colorways and help launch and promote the products under this special event.

If you aren't a current Youghioghenny Yarns customer (or haven't placed a wholesale order in 12 months), we suggest a 70/30 split for the trunk show otherwise current wholesale pricing will apply. We will provide a written list of all goods provided, including the wholesale and our online retail prices, so that you can easily check what has sold and what, if anything, is being returned.

If travel is required for the trunk show, the shop will cover the travel/lodging expenses. A \$300.00 commitment is required for a trunk show sales event with a \$150 prepaid deposit due at time of booking. Please contact us for scheduling and other information. Payment for goods sold is due at the end of the trunk show.

You will have the option to purchase any remaining show inventory at the end of the show at the current wholesale prices.
